

# Speel het ritme van het woord

Uit hoeveel stukjes bestaat het woord?

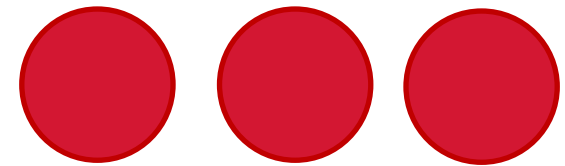

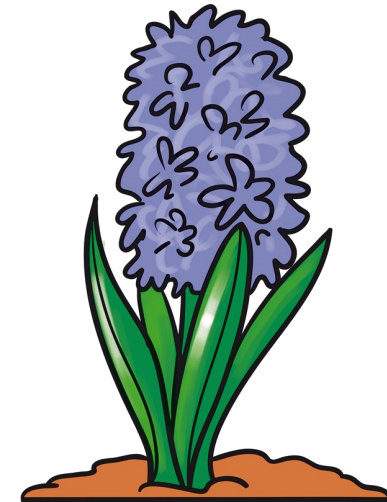

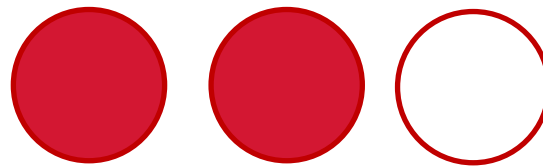

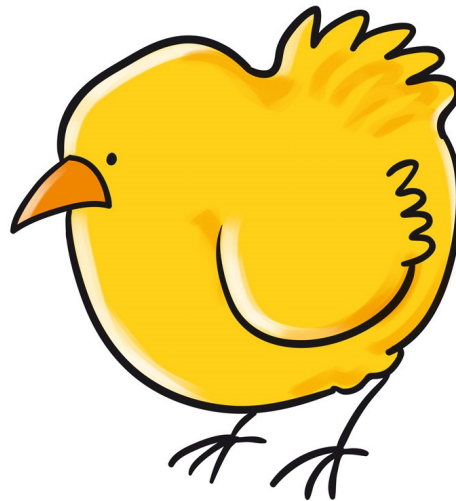

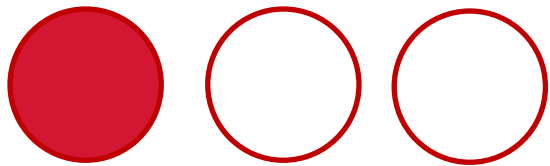

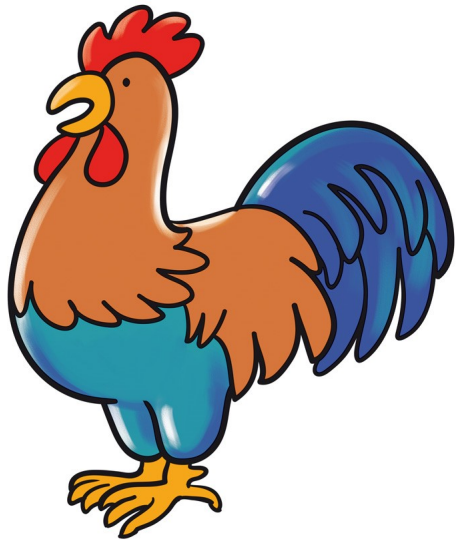

Laat je kind de stukjes klappen. Als we de woorden in een andere volgorde zetten ontstaat er een ander ritme.

Je kunt het ritme ook laten spelen met twee pollepels of laten tikken op een deksel van een pan.

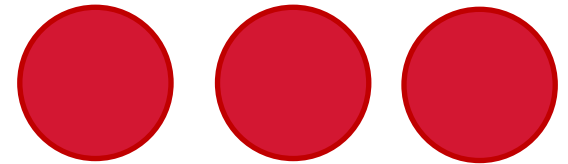

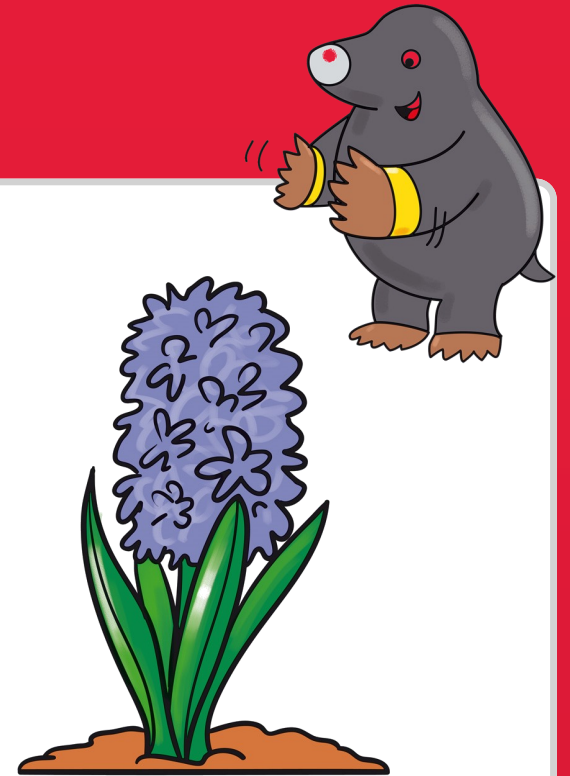

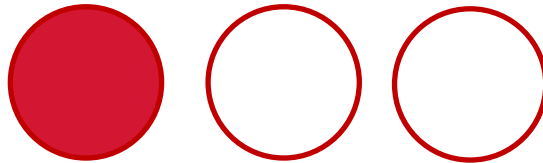

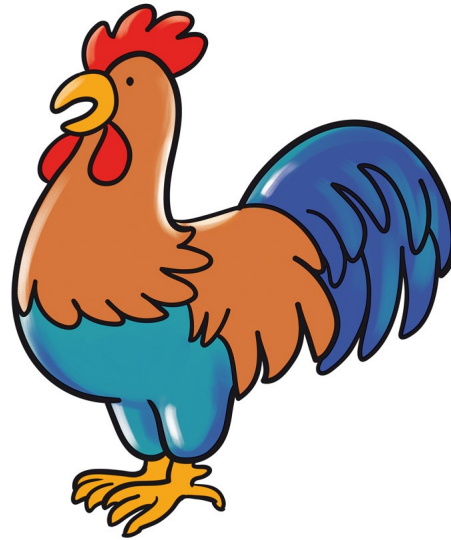

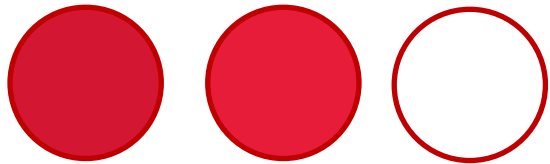

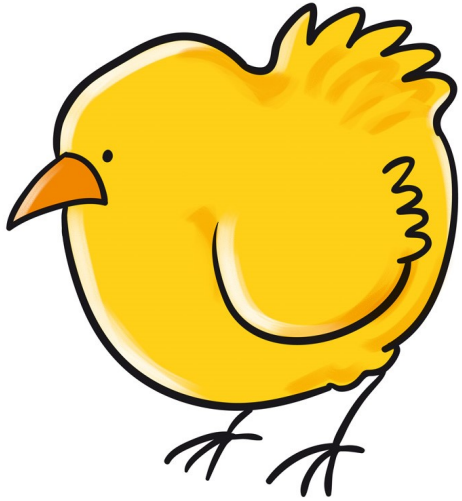

Toon de afbeeldingen op de computer of tablet

Je hoeft ze niet te printen

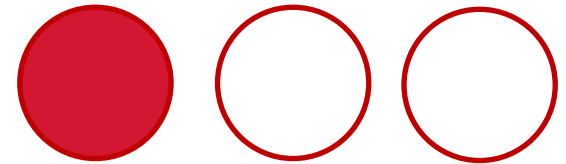

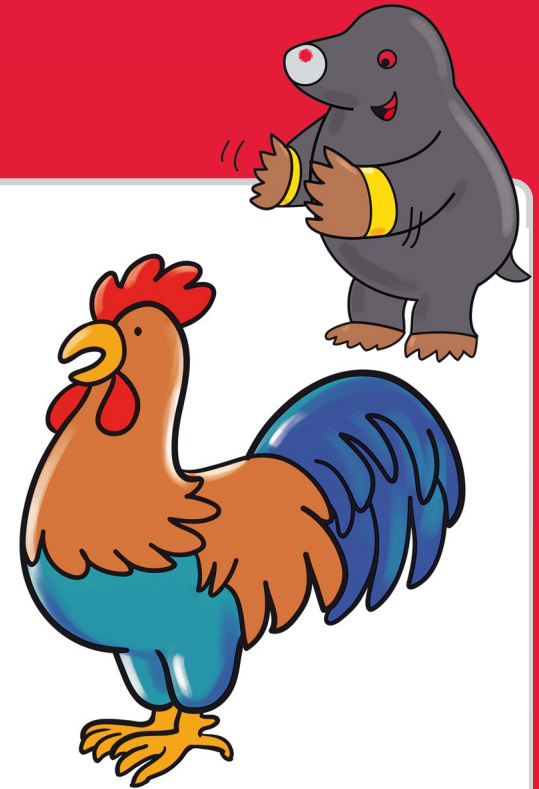

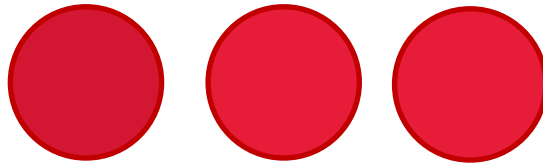

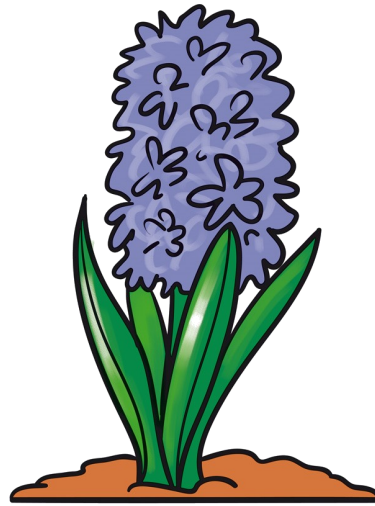

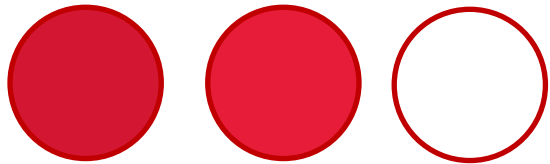

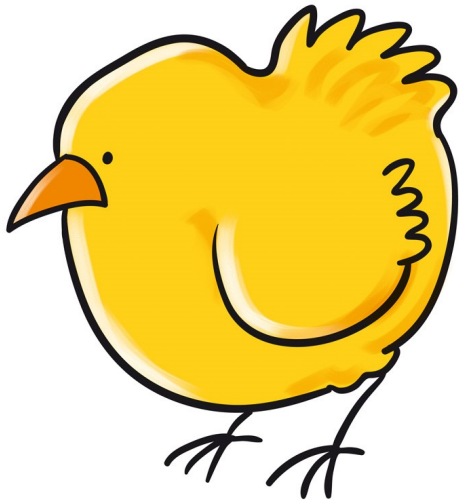

Kan je kind een eigen ritme bedenken?
